

Passport to College

Delta College's pledge to each
2006-2007 Fifth Grader to provide
free tuition to attend Delta in 2014!

Passport to College

- An innovative, educational program to increase the regions college going rate for high school graduates
- Targets 12,500 5th graders in the Delta College District with the potential to attend Delta in 2014

Great Opportunities

- Program targets all fifth grade students in the class of 2006-2007
- Provides FREE tuition at Delta College for two years, beginning in 2014
- Presentations by College staff to stress the importance of College and the skills needed for tomorrow's workplace.

Great Opportunities

- As students progress to middle and high school they will receive presentations on skills needed for college
- Field trips to Delta College campus with activities on study skills and leadership
- Parent meetings to answer questions and provide support

Program Requirements

- Only 5th Grade students in 2006-2007 are eligible
- Parents must enroll their student by signing the Passport to College Agreement anytime during the 2006-2007 school year (enrollment begins the first day of 5th grade 2006 and ends on the last day of 5 grade 2007).
- Students must successfully earn a high school diploma, GED, or pass the California Proficiency Exam from a public high school within San Joaquin Delta College District by Fall 2014.

Program Requirements

- Students must continue to reside in the Delta College District
- Students and Parents must attend, if possible, 1 meeting per year with Delta College staff to review goals and objectives
- Parents must give written consent to release the child's student identification number (CSIS), achievement testing data, and attendance data to Delta College only for the use of this program.

Successful Completion

- When all requirements are met, Delta College will provide a certificate redeemable for 2 years of free tuition after all other sources of financial aid have been applied beginning in the Fall 2014-2015 (4 semesters).
