

Tracy Unified School District  
**BUILDING LITERACY TOGETHER PROJECT**  
14th Annual

# Kindergarten Bridge Program

The **FREE Kindergarten Bridge Program** will:

- ✍ Provide an opportunity for children who have not attended preschool to gain experience in a kindergarten classroom
- ✍ Help children and families understand and begin to meet the academic expectations of a kindergarten student
- ✍ Help parents gain ideas and knowledge to prepare their children academically and socially for kindergarten
- ✍ Encourage children and families to become a part of the school community
- ✍ Allow teaching professionals to observe children for signs of possible difficulties
